## 1.5 DAY COURSE TO PRESCRIBE BUPRENORPHINE

The 8-hour section of the training provided by the American Society of Addiction Medicine (ASAM) covers all medications and treatments for opioid use disorder, and provides the required education needed to obtain the waiver to prescribe buprenorphine. ASAM is an approved provider by CSAT/SAMHSA of DATA 2000 training. *This course is SAMHSA-supported.*

The 4-hour section of the training provided by OhioMHAS is required to receive your reimbursement and will include training from experts around Ohio that will enhance the prescriber's knowledge about opioid prescribing and buprenorphine policies (e.g., low-dose prescribing according to federal and state guidelines and DEA guidance on documentation).

- Obtain DEA Waiver
- Learn about Opioid Use Disorder medications and training
- Expert advice on using MAT in practice
